

FABBS Board Proposal to Change Dues

The Board of Directors of the Federation of Associations in Behavioral and Brain Sciences (FABBS) approved the following proposal related to member dues.

- The Board approved the below changes to society dues, moving to advance the proposal to a Council vote:
 - Set a minimum dues level at \$1500, including for continuing members.
 - Increase dues formula from \$15 to \$17 per U.S.-based, non-student, scientist member.
 - Plan to revisit the dues formula every 5 years.
